areas, maximizing the visitor experience in an environment designed for comfort and sustainability.

One of the great advantages of this plot is the possibility of obtaining a license from the town hall to develop a camper business, a growing market in this coastal area. With the additional option of acquiring an adjoining plot of 5,000 m², the possibilities for expansion are expanded, providing a greater capacity to create complementary facilities, such as outdoor leisure areas, spa, or even sports areas, thus attracting a wider and more diversified audience.

La Marina, located approximately 25 minutes from Alicante and its Alicante-Elche international airport, is a vibrant and constantly developing town, known for its fine sandy beaches and welcoming community. Its proximity to both the coast and the city of Alicante makes this property an exceptional investment, easy to reach for national and international tourists looking for an experience in contact with nature.
