Opportunity in Canals (Valencia): small commercial premises ideal for transforming into a home

Unbeatable location in the heart of Canals (Valencia). This 58 m² premises is located on the main avenue of Canals, one of the most sought-after and well-connected areas of the town. Surrounded by shops, banks, supermarkets and hospitality businesses, the property enjoys a strategic location that makes it ideal to convert it into a home. The possibility of accessing directly from the street without architectural barriers makes it a perfect option for couples or people looking for the comfort of living in the center of the town.

Spaces that adapt to your needs: the premises have a flexible layout that allows it to be transformed into a modern and functional home. The renovation proposal includes a living room, an independent kitchen with a dining room, a bedroom, a full bathroom and a small interior patio that will bring natural

light to the spaces. With a detailed floor plan and 3D renderings, you can visualize the potential of the property before starting any work. The proposed design offers a comfortable flow between the rooms, which will facilitate the creation of a cozy and well-used space.

Additional opportunities and quality of life: in addition to its functional layout, the premises have unique features that will improve the quality of life of its future owners. The kitchen/dining room, with large windows overlooking the interior patio, will provide a bright and airy environment. The bedroom, with a dressing room and window to the courtyard, guarantees privacy and comfort. This project is ideal for those looking for their own space in a central location, but with the option to adapt it to their liking.

Accessibility and communications: the premises are located in a very well connected area, both by road and by train. With close access to the A-7 and A-35 motorways, you can easily travel to other cities in the Valencian Community and beyond. The train station located 5 minutes walk away, with frequent connections to Valencia and other major cities, also offers great convenience for those who prefer public transport.

CHARACTERISTICS:

- Central location on the main avenue of Canals. Close to shops, supermarkets, banks and local businesses.
