Rustic land in El Bacarot (Alicante)

Inmo Café presents a fantastic rustic plot located in El Bacarot, Alicante, where there is a house to be completely renovated. With a total area of 74,359 m², this space offers a natural and quiet environment, ideal for developing agricultural projects or any rural initiative that requires a large and versatile area.

The land is located on common rustic non-developable land with the possibility of occupying 5% of the total area. Its large extension allows it to adapt to multiple uses, maximizing the yield and use of the property, which makes it a great option to develop any agricultural project or other activity.

One of the most outstanding advantages is the excellent connectivity offered by this property. Thanks to the proximity of the A-31 motorway and the Alicante ring road (A-70), access to the property is fast and direct, guaranteeing fluid communication with the main transport routes and facilitating mobility.
